Aquario wins the Korean government [TOWER OF EXPORT]

Aquario received the most honorable [TOWER OF EXPORT] commendation in the name of President Yoon Seok-ryul of the Republic of Korea on December 5th, the 59th Trade Day, through rigorous screening.

This means that the Korean government has certified Aquario's performance and credit. The companies that received the commendation on the same day include top Korean companies such as Samsung Electronics. All this glory is due to your support as our partner.

To celebrate this, we will give you an additional 3% benefit in addition to the existing benefits by December order, so please take this opportunity.
